

Welcome To Bridgerland

1. As a courtesy, the power is already on in your apartment. However, you must have it transferred into your name within **FIVE BUSINESS** days after you move in or it will be shut off. To get it placed in your name, just go to the city office at 255 North Main. There is a \$100.00 refundable hook-up fee, and you must bring a picture ID with you.

Tenants in the house and the private apartments also need to hook up the gas into your name within **FIVE BUSINESS** days after you move in or it will be shut off. To get it placed in your name call Questar Gas Company 752-7751.

2. For cable, go to Comcast at 1400 North 1000 West Suite #110, which is across the street from Herf Jones.
3. Put everyone's name on the mailbox. Mail will only be delivered to those boxes with names. **Be sure to include your apartment number** when giving out your address, or mail will be returned to sender.

Your new address corresponds with your apartment number:

Apts. 1-12; 950 North 600 East apt.# 84321
Apts. 13-24; 954 North 600 East apt.# 84321
Apts. 26-36; 956 North 600 East apt.# 84321
Apts. 37-48; 960 North 600 East apt.# 84321
Apt. 49; 654 East 1000 North Bsmt 84321
Apt. 50; 654 East 1000 North Upstrs. 84321
Apts. 51-62 930 North 600 East apt# 84321

4. Display your parking permit at all times. Failure to do so will result in your car being booted. There is only enough parking for Bridgerland tenants. All visitors must park on public streets as per Logan City ordinances. Your cooperation is appreciated.
5. Inventory Lists. We will use these lists at the end of the year to know what damages each tenant will be responsible for. If there is something broken in your apartment upon your arrival, please write it down so you will not be held liable. Each tenant must specify which room he or she is in. This validates your inventory sheet. The inventory sheet must be turned in 24 hours after you check in.
6. The phone line and the internet are already on in your apartment. You will have to provide your own phone and check with the manager for your apartment phone number. In addition, the manager will give you information on how to connect to the internet while you are with us at Bridgerland.

Thank you and enjoy your stay!
